VitaHealth™ Vitamin SOLUTION Plan

WHAT IS IT?

- Health&Life, Inc. offers you an exciting new health and wellness benefit to complement your existing health benefits program. The VitaHealth™ Vitamin Plan provides your employees with the highest quality U.S. made vitamins and supplements at a highly discounted price - 30% or more off of everyday retail drugstore prices.
- Our state-of-the-art, e-commerce website allows your employees to easily select and purchase vitamins, supplements and herbs and have them shipped directly to their homes. Your employees can even set up recurring orders for their specific vitamin and supplement choices and choose to have them shipped monthly or on any other schedule.
- Our products are shipped fresh directly from the factory and are manufactured in an FDA-inspected facility operating under strict Good Manufacturing Practices (GMP) guidelines. Our manufacturer's products are made in the U.S.A. They have been manufacturing vitamins, herbs and supplements for over 30 years.

CORPORATE BENEFITS:

- Minimal investment and turn-key deployment let you provide your employees with a unique and important health and wellness benefit that complements your existing health benefits program.
- The VitaHealth™ plan is a cost effective, add-on benefit which can increase your employees' quality of life, increase job satisfaction and decrease costly work days missed due to illness.
- 40% of the U.S. population takes an average of 2.31 vitamins and supplements on a daily basis. National statistics show that vitamins are purchased by all demographics within your organization - all ages, all sexes, families, divorced individuals and single-parents.
- High acceptance of the plan and a higher value is placed on your corporation for providing this plan to your employees - Improve employee retention: employees care more for employers who care for them.
- When your employees feel good, they perform at their highest levels of ability - yielding improved productivity for your corporation.

State-of-the-art e-commerce website.

HOW THE VITAHEALTH™ VITAMIN SOLUTION PLAN WORKS

- It's a turn-key system - we create your own corporate branded e-commerce website for your employees' use.
- We can integrate the website into your corporate portal OR the site can be entered via any web browser.
- Your corporate e-commerce website is a password protected, secure site, which uses SSL encryption and identifies your employees through unique corporate information - Therefore, the site may only be entered by your employees.
- Summary reports provided to your benefits department give detailed information about the utilization and acceptance of the program through monthly sales reports.
- Special offerings and plans on your corporate website can be developed between your benefits department and Health&Life, Inc. - such offerings could include sales on products, free shipping offers and many others.
- Corporate private-labeling of the HealthNation™ product is also available - We can easily create your own line of corporate branded vitamins and supplements which add to your corporate brand recognition and strengthen ties with your employees.

HOW YOUR EMPLOYEES BENEFIT

- Corporate sponsored access to high-quality, highly-discounted vitamins & supplements - products that a large percentage of your employees are already buying.
- Our e-commerce website allows your employees to easily purchase vitamins, supplements and herbs, shipping them directly to their homes - thereby allowing them to skip a trip to the drugstore and removing one additional task from their busy lives.
- A large percentage of all illness is preventable. Health-care professionals recommend that your employees take vitamins and supplements to enhance their longevity, health and energy, while decreasing their down-time due to illness.

THE VITAMINS & SUPPLEMENTS

The VitaHealth™ Plan is proud to distribute HealthNation™ vitamins, supplements and herbs. These products are

- Highly discounted - 30% or more off of everyday retail drugstore prices.
- Highest quality and U.S. made in an FDA-inspected facility operating under strict Good Manufacturing Practices (GMP) guidelines.
- All of our products are packaged in tamper-proof, state-of-the-art, PET bottles to protect both the consumer and the products.
- Fully guaranteed for one year.
